FROM FATHER MARK'S DESK

Dear Friends,

Happy Thanksgiving! In just a few days we will all gather with family and friends to celebrate the National Holiday, but to me, Thanksgiving is a religious feast first and foremost. As we gaze upon horns of plenty, prepare for large meals with turkey and all the trimmings, think about bountiful food harvests across our country and the rich blessings we enjoy as a nation, we better take the time to remember that all the bounty we enjoy, whether personal, national or even global, comes from God, our loving creator. There is no better way to acknowledge God's generosity and to say thank you than by gathering for Mass to start Thanksgiving Day. Please join me for Mass at St. Ignatius on Thanksgiving morning at 9:00, and please remember to bring non-perishable food items for St. Louis Helping Hands. It is important to say thanks for our blessings and to share them with others.

It is also appropriate that we celebrate our Stewardship Renewal Weekend this weekend before Thanksgiving. The stewardship way of life is founded upon an awareness of our God-given blessings and the need to thank God in prayer and in service. I want to thank our witness speakers from last weekend: Emily Howland, Brian Hopkins, and Kelly Pollauf. These three young members of our parish gave wonderful testimony about stewardship in their lives. I hope we were all inspired by their words and example. I also want to thank those parishioners who have opened their hearts to stewardship and are living as good stewards of God's gifts. But I am sure there are many members who live stewardship that I am not aware of and who may not even think of themselves as good stewards. Please take the time to fill out the Time, Talent, Treasure Form and place it the collection basket this week. If you have forgotten, bring it next week. Make stewardship a conscious and deliberate spiritual choice in your life. The success of the mission that Jesus entrusts to us in this weekend's Gospel, feeding the hungry, giving water to the thirsty, clothing the naked, welcoming the stranger, caring for the sick, and visiting those in prison, depends upon our willingness to use our gifts of time, talent and treasure in the service of others.

A Prayer for Stewardship....

Lord God, I believe that You will always provide me with what I need, if I only I ask. I know that whatever You give me is to be shared with others in my family, my parish, my community, my country, and the world. Create in me a spirit of trust so that as I have been given, so will I give. Help me to use my gifts wisely, always aware that You are the source of all blessings. Grant that I may share my time, talent, and treasure in ways that will bring glory to Your Son, Jesus, who reigns with you now and forever Amen.

FAMILY PERSPECTIVE: Families feed the hungry, give drinks
to thirsty toddlers and welcome strangers and even stranger
relatives into our homes. We clothe children and visit family
members who are sick and imprisoned. The routine actions of
family life are religious and priestly for we make Christ present
in what we do. Families live the Beatitudes.

Thank You

You may take as many tags as you wish. Families will be from St. Ignatius and the neighborhood of St. Thomas.
